Choose electives from the list on the right

- * A complete schedule has 8 classes each semester, a total of 16 semesters worth of classes for the year
- * Please list more electives than needed (total of 18–20 sem.)
- * One **online course** per semester is allowed. If interested, speak to Mr. Duyst or Mr. Steidl about your choice
- * **Computer 1** is waived if an equivalent is taken in JH
- * No more than two study halls are allowed each semester
- * Take Spanish 1 **only** if you wish to take 4 years of Spanish
- * At least one semester of **Fine Arts** (Art, Band, Choir, Drama, or Photography) and one semester of **Media** is required during the four years of high school
- * Electives are offered when enough students sign up for them and a teacher is available

We will try to give you your first choices but it may not always be possible due to class sizes and schedule conflicts. When making schedule changes a new course may be added only within the first 2 weeks of a semester. After the first two weeks of a semester and up to the mid-term point of the first and third quarters a study hall can replace a dropped course. Please go over your schedule and choices with your parents, have them **sign this form and return it to the main office by Monday, May 7.**
