On our website, [www.calvinchristianescandido.org](http://www.calvinchristianescandido.org), you can click on links to **brief course descriptions** and a copy of this document, *Sophomore Course Selection Worksheet*, by following this path: *go to the Home page, Academics, High School, and click on the listed links.* We will try to give you your first choices but it may not always be possible due to class sizes and schedule conflicts. When making schedule changes a new course may be added only within the first 2 weeks of a semester. After the first two weeks of a semester and up to the mid-term point of the first and third quarters a study hall can replace a dropped course. Please go over your schedule and choices with your parents, have them **sign this form and return it to your homeroom teacher or the office by Friday, May 4.** If you are planning on being in National Honor Society make sure that your choices meet the requirements listed in the handbook for NHS membership.
