

Instructions for Adding Calvin Christian School Google Calendars

The links below are intended for persons that already have Google accounts, and want to display Google calendars created and maintained by Calvin Christian School on their personal Google calendar page.

To add one of the calendars below to your personal Google calendar page, first click one of the links below. The Google calendar should then open in a new window. Then click the "+ Google Calendar" button in the lower-right corner of the calendar window. Your personal calendar should open, and you will be asked to confirm you want to add the calendar. After you confirm it, the new calendar should show up in the "Other calendars" section of your personal Google calendar page.

Links to Google Calendars:

- [Main Events](#)
