This class focuses on preparing students for the beginning of junior high. Specifically an orientation of the rhythms of life at Calvin Christian Junior High, our time will include explanations of the schedule and locations of classes, practice with locks and combinations, expectations for the school year, and much more. There will be activities to help acclimate students to the junior high campus at Calvin Christian and feel prepared for the start of a new school year. This class gives students a chance to have questions concerning junior high answered and alleviate some of the fear of the unknown that may come with starting junior high or a new school.
