Dear Pastor,

The family listed above has applied for their child(ren) to be enrolled at Calvin Christian School for the approaching scholastic term. For more than 50 years, Calvin Christian School has partnered with Christian families and their churches, teaching the whole child from a biblical worldview. We provide an excellent Christ-centered education that prepares our students for a life of Christ-centered service.

Because we partner with Christian families and their churches, we ask for feedback from each family's pastor or church leader. This provides us with a more accurate understanding of the level of commitment or involvement this family has to their local church or place of worship.

Once you have completed the form to the best of your knowledge and ability, you may return it via mail, fax, or email attachment, using the contact information provided below. Thank you for your prompt attention to this request. We value your insight. It will assist us in determining how we can best serve this family.
