We will try to give you your first choices but it may not always be possible due to class sizes and schedule conflicts. When making schedule changes a new course may be added only within the first 2 weeks of a semester. After the first two weeks of a semester and up to the mid-term point of the first and third quarters a study hall can replace a dropped course. Please go over your schedule and choices with your parents, have them **sign this form and return it to your homeroom teacher or the office by Wednesday, March 24.** If you are or hope to be in National Honor Society make sure that your choices meet the requirements listed in the student handbook for NHS membership.
