We will try to give you your first choices but it may not always be possible due to class sizes and schedule conflicts. When making schedule changes a new course may be added only within the first 2 weeks of a semester. After the first two weeks of a semester and up to the mid-term point of the first and third quarters a study hall can replace a dropped course. Please go over your schedule and choices with your parents, have them **sign this form and return it to your homeroom teacher by Wednesday, March 24.** If you are in National Honor Society be sure to check that your selections will met all of the course requirements for an NHS member, found in the Parent-Student Handbook. For course descriptions and registration information go to the Home page of our website, www.calvinchristianescondido.org , and click on the announcement about 2010-2011 High School Registration.
