International Insurance Options 2011

Remember that Calvin Christian School requires international students to have medical insurance and we ask that **BEFORE THE FIRST DAY OF SCHOOL** you give to the office verification of the student's medical coverage.

Here are your options:

Option 1

If you want Calvin Christian School to find medical insurance for your student we will. We use an organization called Partners for Learning Across Cultures to provide the coverage. If you want this option then you need to send to the school the following:

Name of student, Birthdate, Country of Citizenship, and Full payment.

We will make the arrangements and the insurance cards will be sent to the student at the home-stay.

Option 2

You can arrange for the insurance yourself either through your own insurance, Partners For Learning Across Cultures, or any other agency.

Partners For Learning Across Cultures uses AVI International Insurance. Their information can be found on the Internet at www.avi-international.net

Cost in 2011: \$650 for 10 months

Option 3

For other online insurance options go to www.healthinsurancefinders.com , then find the circle with the airplane picture in the middle of the page at the far right and click on it, then click on "Travel Health Insurance" , then on the right side half way down the page under "Medium-Term (6 months-1year) click on Non U.S. Citizen Visiting U.S.A. Then make your choices and fill out the information to get a quote immediately. You can purchase it right online. Two insurance companies are listed, Liaison International and Atlas.
